

Dear Sponsor,

The Rotary Club of Bullhead City has been granted a sanction to hold a Kansas City Barbeque Society contest in Bullhead City's Rotary Park on January 19 - 20, 2018. The name of our event is the *Slab-O-Rama Barbeque Challenge*.

The sport of competition barbeque has evolved in the last couple of years. There are thousands of teams throughout the country, many of whom compete in several contests each year. Our Rotary Club hopes to attract some of those teams to Bullhead City to compete in the 4th Annual Slab-O-Rama Barbeque Challenge. However, to run this event, our Rotary club is looking for financial support and sponsorships. Individuals and businesses will be able to participate directly in the event, including advertising opportunities, vendor displays, becoming a sponsor of a sanctioned category, as well as with judging some of the competition barbeque events

The business revenue the competing teams and attendees generate while they are in Bullhead City will prove valuable to our community. This event will promote tourism and increase sales for the local merchants: teams and attendees will purchase lodging, fuel for transportation and cooking, food and travel supplies, and additional entertainment, which will make our community stronger. The proceeds our Rotary Club raises from this event will go right back into our local community and be used for scholarships for our high school students, to purchase dictionaries for our elementary kids, and the continued beautification and expansion of Rotary Park, which is where Slab-O-Rama is being held.

The list of attached various sponsor levels *are only suggested levels*. Any amount is appreciated. In addition, the opportunities to participate are not limited to the proposed offers included. We welcome suggestions from our sponsors and encourage them to actively participate in this fun event. For the public, it presents an enjoyable venue to attend. We would appreciate not only your financial support, but also your participation at the event.
